

Strange Invaders “The lady said no, fella.”

<https://filmsnobbery.com/wp-content/uploads/2018/12/strange-invaders-the-lady-said-no-fella.mp3>

1983's *Strange Invaders* has an all star cast, including Nancy Allen, Louise Fletcher, Wallace Shawn and Michael Lerner, but never quite hits its mark. Aliens in a small town are involved, as well as some excellent special make up effects. A fun view, but slightly puzzling.
